№ 01-3/4/

By this letter we confirm, that small enterprise "Barama" has fulfilled construction works as subcontractor of firm "Zafer Construction" (Turkey) under Contract 5 - Construction of Warehouses of Greater Baku Water Supply Rehabilitation Project within the framework of credit No27817 of European Bank of Reconstruction and Development (EBRD).  
Abovementioned works were fulfilled by small enterprise "Barama" in accordance with the requirements of World Bank and British Standards.  
Technical supervision for these works were carried out by "Brown and Root Civil" (Great Britain).

Yours faithfully,

Nizameddin Rzayev  
ARWC Vice - President
