Dear Sirs,

Since the conclusion of the first Contract with "Barama" Company, this enterprise has shown itself as an excellent contractor undertaking the work given and a reliable partner following its financial and technical obligations. The Company has proved to be a responsive counterpart sensing the changes arising in the active business environment and responding the Client's needs.

We strongly recommend "Barama" as a potential long-term partner and assure of its highest performance and well working practices.

Samir Irzayev, 
Assistant to Steelplant Manager
"Baku Steel Company Ltd."
