COMPANY PRESENTATION

Company History

BARAMA Construction Services was established in 1991 by Arif Hajiyev - a construction engineer, working in the country's construction industry since 1961.

He is coming from a family involved in Azerbaijan's traditional silk business so this is from where he picked up the company's name – “BARAMA”, meaning “silk cocoon”. Under his management, within 2-3 years of establishment, the company's projects worth totaled over 3,000,000 USD.

Today, company has representative branch in Georgia and planning to develop its business in some neighboring countries and Europe.

Company is certified for Quality Management System ISO 9001:2000 in the year 2006 and by January of 2010 ISO: 18001 and ISO: 14001 we achieved. In the year 2018 an upgrade to ISO 9001:2015 and OHSAS:2007 took place.
